Reference is made to previous reports submitted by the New Orleans office, particularly report of SA Adrian G. Vial dated 12-3-63.

On the afternoon of 11-23-63 reporting agent contacted Lt. Paul Dyer, Intelligence Unit, New Orleans Police Department. He furnished the names and addresses of the three Cuban anti-Castroites who had been arrested for fighting with Lee Harvey Oswald on 8-9-63 at New Orleans as follows:

Lt. Dyer indicated that at the time of Oswald's arrest on the above-mentioned date, he was found to be in possession of a quantity of literature pertaining to the "FAIR PLAY FOR CUBA COMMITTEE"; that the national organization for this committee was shown to be located at 799 Broadway, New York 3, N. Y. He also said that some of the leaflets which were found in Oswald's possession bore the name of "A. J. HIDELL P. O. Box 30016 NEW ORLEANS, LA."

Lt. Eyer also advised that a small booklet which had been seized from Oswald and which bore the title "The Crime Against Cuba" bore the following rubber stamp impression: F P C C 55th CAMP SP. S. NEW ORLEANS, EA."

It. Ther stated that he would be happy to furnish our Service with copies of the various pumphlets, booklets, etc. which had been seized from Oswald at the time of his arrest on 8-7-63.

He was informed that at the first opportunity a representative of this Service would call upon him in person and discuss this matter with him.

At 3:00 P. M. on 11-23-63 reporting agent telephonically inquired of Postal Inspector J. J. Zarza, New Orleans, as to Post Office Box 30016, New Orleans. Inspector Zarza stated that the correct number of this Post Office Box is 30061. He stated that this box is located in the Lafayette Square Station, which in turn Is located on the first floor of the Old Federal Building, 600 South Street, this being the building in which our office is located. He said that this box was rented on 6-3-63 to L. H. Oswald, 657 French Street, New Orleans, La.; that French Street is located in the Lakeview section of New Orleans but that there is no such address as "657 French Street" in New Orleans. (It is believed that this address should be 757 French Street, which is the address of Fr. and Krs. Charles F. Murrett, uncle and aunt of Lee Harvey Oswald). Inspector Zarza stated that the FBI has the original application for this Post Office Box, it having been turned over to an FBI Agent on 11-23-63 who was conducting an investigation with reference to Lee Harvey Oswald. Inspector Zarza further advised that the persons designated by Oswald to receive mail in this Post Office box were: A. J. Hidell and Marina Oswald.

Postal Inspector Zarza also informed me that on 9-2h-63 Lee Harvey Oswald had sent a change of address through the mail, requesting that any mail addressed to him care Post Office Box 30061, New Orleans, be forwarded to him as follows: Lee Harvey Oswald, 2515 W. Fifth Street, Irving, Texas. Emspector Earsa stated that this change of

Page 3 CO-2-3h,030 December 4, 1963

address was received at the Lafayatte Square Branch Post Office on 9-26-63, and the change of address became effective that date, also that Oswald's Post Office Box at this station was closed as of that date (9-26-63).

At 3:15 P. M. on 11-23-63 reporting agent contacted the New Orleans Police Department, Bureau of Identification, and spoke with Technician Anthony Guardina, with request that he check very carefully for a record on A. J. Hidell or Hydell. Mr. Guardina later informed me that no record of anyone by the name of Hidell or Hydell could be found in the indices of the Bureau of Identification. Reporting agent has had the records of the New Orleans Police Department, Bureau of Identification, checked several times since 11-23-63, but in each instance the employee making the check of the indices reported that no record could be found of anyone named Hidell or Hydell.

Numerous persons interviewed during this investigation have stated that they did not know of anyone named A_{\bullet} J. Hidell or similar name.

On the afternoon of 11-27-63 SAIC John W. Rice and reporting agent interviewed Lt. Paul Dyer, Intelligence Units New Orleans Police Department. He exhibited his file on Lee Harvey Cavald, which reflected Oswald's FBI number to be 327 925 D. The file reflected that Oswald had been in the U. S. Marine Corps, his serial number with the USMC being shown as 1653230. Oswald was shown to have been on active duty from 10-21-60 through 9-11-59. With reference to this period of enlistment he was shown to have received an honorable discharge.

The Intelligence Unit's file showed Oswald's date and place of birth as 10-18-39 at Now Orleans, La. He was shown to be 5'9" tall and to have weighed 1h0 lbs. as of 8-9-63. As of 8-9-63 Oswald was shown to have been unemployed about three weeks. It was shown that he had worked for the Luzianne Coffee Company (Wm. B. Reily & Co., Inc.) for about three months. It was also shown that he had worked in Fort Worth for a sheet metal company for several months.

Lt. Dyer stated that when interviewed subsequent to his arrest at New Orleans on 8-9-63, Oswald was evasive as to his prior personal history or background.

Oswald's wife's name was shown as Marina Pross and he was shown to have been married in Fort Worth, Texas. Oswald was shown as having two brothers - Robert Oswald, age 27, and John Oswald, age 32. His father, reportedly deceased, was shown to have been named John Lee Oswald. His mother's name was shown as Marguerite Oswald - Fort Worth, Texas, no street address being shown. It was indicated that she lives alone.

Lt. Dyer stated that when Oswald was questioned as to how he became affiliated with the FAIR PLAY FOR CUBA COMMITTEE he alleged that he had found a leaflet on the street several months prior to his arrest on 8-9-63 from the FAIR PLAY FOR CUBA COMMITTEE, which leaflet, according to Oswald, bore a New York address. The inference was that Oswald had written to this organization's New York address and applied for membership.

Lt. Dyer stated that when arrested at New Orleans on 8-9-63 he had in his possession cardboard signs reading: "TIVA VIVA FIREL," He stated that Oscald gave the police the impression that he was uninformed as to the ultimate goals, purposes, and organization

Page h CO-2-3h,030 December h, 1963

of the FAIR PLAY FOR CUBA COMMITTER. Lt. Dyer advised that Oswald did say that the people attending meetings were working class people such as Clerks, Tradesmen, etc. He said that Oswald would not give names or meeting locations. Oswald is said to have denied to the police that the FAIR PLAY FOR CUBA COMMITTEE was Communist front, and to have also denied that he (Oswald) was a Communist.

It. Dyer stated that when arrested on 8-9-63 at New Orleans Oswald had in his possession two cards as follows:

- (1) National Hembership Card FAIR PLAY FOR CUBA COMMITTEE issued 5-28-63. President on name as shown on card: "V. T. LEE, National Organization 799 Broadway, New York 3, N. Y."
- (2) Local Membership Card N. O. Chapter FAIR FLAY FOR CUBA COMMITTEE, dated 6-6-63. President: A. Hidell.

Lt. Tyer indicated that subsequent to his arrest on 8-9-63 Oswald had been interviewed by Sgt. Horace J. Austin and Patn. Warran Roberts, both of whom were at that time assigned to the Intelligence Unit. Patn. Warran Roberts is reported to be presently assigned to duty at the First District Police Station, New Orleans.

Former Civil Aeronautics Patrol acquaintances of Lee Hervey Oswald, as contained in the New Orleans Police Department, Intelligence Unit, files are:

Jos Thompson and Edward Vosgel - Attended school with Oswald - George Piazza - No address shown

It. Dyer stated that David William Ferrie, whose name came up during the course of this investigation at New Orleans and on whom a separate report will be submitted, is the owner of an airplane, which is out of commission and was last known to be parked on the west ramp at the New Orleans Airport, located on the lakefront, in a "tied down" position. It. Pyer stated that this plane is a Stinson Voyager N. C. #N8293K, green and white in color, and not in serviceable condition.

Lt. Ther stated that one JOHN IRION knew Oswald and Ferrie in C.A.P. years ago, and indicated that possibly TOHN ATHZENHOFF and JOHN CIRAVOLO also knew Oswald and Ferrie about that time. No addresses were shown for these individuals. An attempt will be made to locate and interview them at as early a date as possible.

During the interview with Lt. Dyer, Intelligence Unit, New Orleans Police Department, on 11-27-63, he surrendered to us a booklet titled "The Crime Against Cuba" by Corliss Lamont. This booklet was shown to have been copyrighted 1961 by Basic Pamphlets, First printing - June, 1961, Mary Redmer, Editor. On the inside of the last page of this booklet the following rubber stamp impression appears: "F P C C 544 CAMP ST. NEW CRIMANS, LA." Every effort is being made to determine whether the FAIR PLAY FOR CUBA. COMMITTEE ever occupied space in the building located at this address.

During the above-mentioned interview, It. Dyer also surrendered a yellow propaganda circular which had been recovered from Govald when he was arrested here on 8-9-63.

Page 5 CO-2-3lta030 December 4, 1963

The propaganda appearing on this circular reads as follows: PHANDS OFF CURA!"
"Join the Fair Play for Cuba Committee" "New Orleans Charter Member Branch" "Free Literature, Lectures Location: A. J. Hidell P. O. Box 30016 New Orleans, La." PEVERYONE WELCOME!

Lt. Dyer also surrendered a photostatic copy of an application for membership in The Pair Play for Cuba Committee, New Orleans, La. The name and address "A J HILELL P. O. Box 30016 NEW ORLEANS, LA." appeared on this blank application form. He also surrendered two photostatic copies of a circular titled "The Truth about Cuba IS IN CUBA!", published by the FAIR PLAY FOR CUBA COMMITTEE, 799 Broadway, New York 3, N. Y. These papers had been taken from Casuald at the time of his arrest on 8-9-63 at New Orleans,

00-2-34,030 omen Dallas office New Orleans, La. Lee Harvey Oswald Protective Research Continued 11-29-63 Assassination of President John F. Kennedy 12-5-63 New Orleans, Louisiana INVESTIGATION MADE BY SA Roger D. Counts SA Anthony E. Gerrets

SYMOPSIS

This report covers the investigation of a portion of the employment history of Lee Harvey Oswald while in New Orleans.

DETAILS OF INVESTIGATION

Reference is made to the telephone call from Deputy Chief Paterni to SAIC Rice on 11-29-63, requesting that all possible background information on Lee Harvey Cswald be developed. Reference is also made to the telephone call from SAIC Bouck to SAIC Rice on the same date furnishing information from the Social Security Administration in Baltimore as to Oswald's employment history. The following is a list of employers furnished by SAIC Bouck:

- Gerard F. Diague, Inc., Sanlin Building, 442 Canal St., New Orleans. First half 1955 and second quarter 1956.
- J. R. Richgls, P. O. Box 647, Houston, Texas. First quarter 1956.
- New Orleans George L. Comel, Etl., dba Pfisterer Dental Lab Co., 227 Dauchine St.,
- La. First half 1956.

 Bolly Shoe Co., 729 Canal St., New Orleans. First half 1956.
- (C) reslie Welding Co., 11241 W. Felrose, Franklin Park, Illinois. Last half 1962.

On 11-29-63 SA Anthony E. Gerrets telephoned Cerard F. Tujsgue, Inc., Freight Brokers, Sanlin Building, 442 Canal St., New Orleans, and spoke with Frank BiBenedetto, Vice President, who informed him that Lee Harvey Oswald had been employed by his firm from 11-10-55 to 1-14-56, as an Office Boy, Messenger, Runner, etc. Fr. DiBenedetto recalled that Oswald kept to himself and did not mix too much with others. He said that

at that time Oswald lived at 126 Exchange Place, New Orleans. Ar. DiBenedetto further advised that his firm's employment file on Oswald had been turned over to SA James Schmidt, FBT, New Orleans.

Also on 11-29-63, the reporting agent interviewed Micholas Mazza, Mazza, Mazza, Inc., Exporters, at the Scalin Building, 1:12 Canal St., New Orleans. 17. Mazza advised that the address of P. O. Box 6:17; Mouston, Texas, was the former address of their main office and that this address is now r. O. Box 53:150, Houston, and that it is located in the Cotton Exchange Building. We said that Uswald was employed by his firm in New Orleans as an Office Boy and that he only worked there for about two weeks in January, 1956. The only record he had of this employment was a W-2 Form which he had given the FBI. Mr. Mazza said that he had inquired of all of his employees but neither they nor he could recall anything about Oswald.

A visit was also made to the Phisterer Bental Lab Co., 227 Dauphine St., New Orleans, on 11-29-63. Mr. George Louis Kanel, Owner, was interviewed but could not recall Oswald at all. He did state, however, that some of his employees did remember him. He said that all records for the year 1956 and before had been destroyed and that the bookkeeper at that time was how deceased.

Also on this date, Paul Fiorello, an employee of the Pfisterer Dental Lab, was interviewed. He said that he was working as a Ressenger at the time Oswald was also employed as a Ressenger, but that he did not know him well as Oswald kept pretty much to himself. Hr. Fiorello recalled that Oswald was employed for approximately two months in the first part of 1956, and when he quit he had stated that he was going to Texas to sell shoes. During Oswald's period of employment at the lab, Hr. Fiorello said that he associated mainly with another Messenger, Palmer repride. McBride's main interest was astrology, and he and Oswald often had long discussions on this topic. They also discussed and often argued about Russia but not specifically Communish. Hr. Fiorello believes that McBride has contacted the FBI in Florida as he is currently stationed there in the military service.

Another employee of the dental lab, <u>Lionel Slater</u>, was interviewed and stated that he too was employed as a Messenger during <u>Uswald's period</u> of employment. He did not know <u>Oswald</u> well as <u>Cswald</u> was not particularly friendly and associated mainly with Palmar McBride. He too stated that <u>Oswald</u> and McBride were interested in and frequently discussed astrology, but he could not recall any other topics.

Records of the Social Security Administration indicate that Oswald was employed by the Dolly Shoe Co., 729 Canal St., New Orleans, during the first half of 1956. A visit was made to this address on 11-29-63, where it was learned that this store is now operated by the Tactory Cutlet Shoes of New Orleans, Inc. The present owners were unable to offer any information as to the names or locations of the former owners. Records indicate that the Dolly Shoe Co. has not been operating in New Orleans for the past three to four years. Efforts to locate the former owners have been unsuccessful up to the present time.

It was also indicated that Oswald was employed by the Leslie Welding Co., 11241 W. celrose, Franklin Park, Illinois, in the last half of 1962. Investigation failed to reveal any such firm in the New Orleans area.

Fage 3 C0-2-34,030 December 17, 1963

On 11-30-63, Ars. Ansida Smith, 1951 Drown Ave., New Orleans, was interviewed by telephone. Frs. Smith was formerly employed by the Pfisterer Dental Lab Co. during the time Oswald worked there. She worked as a Dispatcher and was in charge of the Ressangers. She said that Oswald only worked there for a short period of time, but she recalls that she had difficulty with him. She described his as being "hard-headed" and said What he would frequently argue with her as to the assignments the gave him. Oswald also argued with Palmer McDride often. The main topic of these arguments was religion, as she recalled. Oswald always took the atheistic point of view and kcBride the opposite. Mrs. Smith said that she thought McBride was now working at Cape Kennedy in Florida.

It was learned that Palmer McBride, who is mentioned above, was a member of the New Orleans Amateur Astronomical Association. On 12-1-63 Ralph M. Hartwell, III, Secretary of this organization, was interviewed by telephone and advised that ralmer Adride is currently serving in the U. S. Air Force in Florida. He gave his address as: Airman 2nd Class Palmer E. Hebride, AF 25589222, Box 1h, 6550 Maintenance Group, Patrick Air Force Base, Florida. He further advised that hebride had been in New Orleans about two or three months ago for a short period of time.

It was indicated in the M/R of SA Steuart, Dallas, dated 11-27-63, that among the belongings of Oswald was found a card which had written on it, "Your application for work is on file 1530 Thalia Street, Baton Rouge, Louisiana." This card was dated July 30 and august 2, 1963. Investigation made in Baton Louge revealed that this address is non-existent. However, it was found that the Louisiana State Employment Service has a branch office at 1530 Thalia St. in New Orleans.

On 12-3-63 Jack Sullivan, Supervisor of this office, was interviewed. He stated that Lee Harvey Oswald had made suplication at that office but that his application form had been sent to Germinel Cossina, District Supervisor, who had in turn given it to the FHI. He could provide no further information.

On 12-1-63 Hr. Fessina was interviewed at the District Office, 142 Canal St., New Orleans. He verified that the above-mentioned application had been given to the FBI, and in addition, he said that a claim form which Oswald had submitted to apply for Unemployment Compensation had also been given to the FBI. He could recall none of the information which may have been on these forms and had not retained any copies.

Also on 12-5-63 SA Gerrets contacted SA Theodore R. Viater, FBI, New Orleans, who had participated with FBI SA James Schmidt in checking on Oswald at Gerard F. Tujague, Inc. He stated that the FBI had conducted a neighborhood check in Exchange Place, New Orleans, but that no one living in that area now had ever known Oswald.

On 12-13-63 it was ascertained by SAIC Rice from FBI agent Leon Gaskill that Palmer McBride, mentioned above, has already been interviewed by one of their offices in Florida.

U.D. WALOPED IEADS

This case remains open in New Orleans pending submission of reports covering other phases of this investigation which have already been made.
